Changing the revenue limit FTE membership calculation to allow a district to use either a 5-year rolling average, 3-year rolling average or the current year membership, whichever is greater, and allowing a district to apply to the Department of Public Instruction for emergency aid or revenue flexibility.

Resolution 18-08: WIAA Autonomy

The WASB opposes legislative efforts to impose explicit or implicit mandates on the WIAA or its member schools.

Resolution 18-09: Implementation of NCSL “No Time to Lose” Report Recommendations

Create: The WASB petitions the Legislature and the Department of Public Instruction to jointly act with deliberate speed to implement the recommendations of the “No Time to Lose” report produced by the National Conference of State Legislatures. The recommendations include that our state should: study and learn from top performing national and state educational systems; create a statewide vision for reform; benchmark Wisconsin education policies against those of high performing countries and states; and begin by focusing on one priority area of reform. The WASB further encourages the Legislature and the Department of Public Instruction to include school board members throughout the process of investigating and implementing these reforms.

Resolution 18-10: Local Fiscal Control

Amend existing Resolution 1.00 Local Fiscal Control as follows:

The WASB believes that the locally elected school board should have control of its local fiscal affairs and, within broad state guidelines, be allowed to manage its affairs with provision for interdistrict cooperation. The WASB opposes constitutional amendments efforts that undermine the fiscal authority of local elected officials, diminish the role of citizens in the local decision-making process, and hinder the ability of Wisconsin public school boards to address the changing needs of their students.

Amend existing Resolution 4.60 General Policy on Certification/Licensure as follows:

(1975-3)

(a) Certification

The WASB supports the concept of broader teacher certification to reflect the current or evolving configuration of grades in a school.
