Flottum Reelected to WASB Board of Directors

Linda Flottum of the Turtle Lake School Board has been reelected to the Board of Directors of the Wisconsin Association of School Boards. Flottum, who was first elected to the Turtle Lake School Board in 1994, will continue to represent WASB Region 1, which includes more than 30 school districts in northwestern Wisconsin.

“It’s a privilege to represent Region 1,” Flottum says. “I appreciate the opportunity to continue to serve all school districts—large and small—in northwestern Wisconsin. It is my belief that by working together through education, we can provide a brighter, successful future for our children, our communities and our country.”

As a director, Flottum advocates for school districts in her region and across the state. Her three-year term will begin in January during the Wisconsin State Education Convention in Milwaukee.

“Linda has been an outstanding member of our board, and I look forward to continuing our work together,” WASB Executive Director Dan Rossmiller says. “She consistently demonstrates a deep commitment to public education and locally elected school boards. This passion makes her a powerful advocate for all students as we advance the cause of public education in Wisconsin.”

Flottum has been Turtle Lake School Board’s CESA 11 representative, served as the Turtle Lake WASB Delegate to the Assembly and served on the WASB Policy & Resolutions Committee.

After receiving an associate of arts degree from UW-Barron County, she worked as a legal secretary, 911 coordinator/dispatcher/jailer and office administrator before retiring. She lives in the Village of Turtle Lake with her husband, Tom. They have three sons and seven grandchildren.

The Wisconsin Association of School Boards is a nonprofit association that provides information and services to Wisconsin school boards in the areas of school law and policymaking, legislation and leadership development.
